Membership Conditions

General:

This Yoga Membership is bound to one person and cannot be transferred to someone else. This Yoga Membership allows the practitioner to join all regular classes. The application for a membership is in writing (with this form) and is binding. Practitioners obtaining a membership commit by strict contract for a period of either 3, 6 or 12 months depending on the membership chosen. After Maxi knows you at least for one month, you may be able to join all self-practice classes (Maxi will discuss with you after one month). We want to know you first before giving the door code to you. Please note that having the membership does not automatically give you access to the door code.

The practitioner will receive a bill from Yoga-Break every month and is given two weeks to pay the monthly fee. A €5 administration fee will be charged in case of late payments.

The membership rate is regarded as an average monthly fee, which is consistently paid throughout the year during the contract period. Adapting the membership to actual lessons followed is thus not possible. It is in the interest of the practitioner to join practice as often as possible.

The membership rate (monthly fee) is calculated over a yearly base. School closures, vacation, illness are already included into this fee. In case classes cannot be taken, no refunds can be given, also not partly.

This includes illness, vacation, pregnancy, and absence due to work travel, etc. In case of illness and injury that are longer than 3 weeks, it is possible to prolong the membership, medical documentation from a physician is required herein.

Notice Periods:

The membership can be terminated by both parties with a period of 4 weeks left until the end of the membership. All membership terminations have to be in writing to: Yoga-Break, Damsterdiep 46, 9711 SM, Groningen (no e-mails).

A membership is automatically extended by 3, 6 or 12 months, if it is not terminated at least 4 weeks prior to the end of the membership period, in writing (to: Yoga-Break, Damsterdiep 46, 9711 SM, Groningen - no e-mails). Forms for termination for a membership can be obtained at the yoga school or at the website (www.ashtangaingroningen.com). Thus, please make sure to keep track of the ending of your membership, keep the copy of your membership contract, to avoid any awkward situation. Be responsible. An exceptional case of membership termination is only possible due to serious illness and injury (for both a medical attest has to be provided, not in retrospective). The nature of illness and injury needs to be so serious that a visit to the yoga school is not possible. Amendments to membership can also be made in case of moving to another city, to terminate a membership due to moving a termination form has to be handed in two months prior to moving, thereupon a one time termination fee applies calculated on the basis if a shorter membership duration could have been chosen for the time. All with a yearly contract can pause the membership once in 12 months for 1 month given travel or sickness for more than 24 days. (*for travel notify us 1 month prior to the travel, and for longer illness a note from the physician is required). What this means practically: If the practitioner is traveling for say 7 weeks, the practitioners keeps making their monthly payment but they get a membership month added at the end of the 12 month. In case of serious violation of Yoga-Break's code of conduct (to be found on www.ashtangaingroningen.com), Yoga-Break has the right to terminate the membership immediately.

Change of Class Schedule / Yoga School Closures

Yoga-break reserves the right to change the class schedule / or our opening times, all in a reasonable manner. This also holds true for short-term closure such as illness and studio maintenance, as well as for closures / class changes lasting longer than one week due to yoga study travel and vacation.

In case of illness, study, vacation and other possible causes that a class cannot go through as scheduled we aim to organize substitute teachers. If this is not successful the classes may be cancelled, changed or adjusted to self-practice. The practitioner does not have the right to receive money back in case a class does not go through.

It is possible that for a maximum of 5 weeks per year no classes will be held - a possible closure of 5 weeks per year is taken into account when calculating the monthly membership fees - thus, the practitioner has no right to receive money back or pay less. Closures of the yoga school will be announced in due time on www.ashtangaingroningen.com. During school closures the possibility of self-practice exists but may not be given for 2-3 weeks of the year. Our yoga school is also closed during national holidays.

Class Sign In

Sign in is required for all classes online, also for self-practice (in case a self-practice has to be cancelled we can notify you). If a class seems full the practitioner can opt to be on the waiting list and will then be informed as a space comes open. Failure to sign out of a scheduled class by 5 hours prior to class more than 2 times per month will result in not being able to book a class for one week (please be responsible for your classes!).

Disclaimer

With registration for class and signing this form, the practitioner recognizes and agrees that participation in classes at Yoga-Break excludes any form of liability on the part of the yoga school.

In our yoga classes, self-responsibility and common mental and physical capacity is required. In case of serious physical and mental limitation, we recommend that you consult with your physician first.

With signing of the waiver the practitioner declares the yoga school free of any responsibility due to any injuries or damage, and loss of property. For any such caused damage is responsibility is solely at the practitioner (parents are responsible for their children).
