

Terms & Conditions

Article 1. This form has to be signed prior to starting classes at Bhumi Yoga. By signing this form the participant recognizes and agrees to the following terms and conditions.

Article 2. Own risk and liability

Participation in yoga classes and workshops is at the risk of the participant. If the participant doubts her/his health, it is recommended to see the advice of a general physician or specialist prior to participating in a yoga or workshop. Bhumi Yoga cannot be held liable for possible injuries, accidents, material damage or loss of property that is directly or indirectly associated with participation in yoga classes or workshops at Bhumi Yoga.

Article 3. Class registration

Signing in to classes is required for all classes and workshops through our online schedule at: <https://www.momoyoga.com/ashtangaschoolgroningen/>

Article 4. Class cards and memberships

The participant starts a membership or purchases a class card by which s/he can participate in the regular classes. All class cards and memberships are personal and cannot be transferred to someone else. A class card automatically ends after a period of 13 week and cannot be prolonged.

With a membership the participant has unlimited access to all regular classes during when COVID measures are not in place; as long as COVID measures have to be in place participants with a membership can join 13 classes at the yoga school per month and unlimited online classes as offered. A 3 or 12 months membership is a continuous contract, this means that when the membership period ends a new membership automatically starts unless a membership termination notice has been given by the participant at least one month prior to the membership maximum period, note has to be given by email. A one month membership automatically stops after one month. By obtaining a membership the participant agrees by strict contract to paying a period of either 1, 3 or 12 months depending on the membership chosen.

Article 5. Payment and Rates

A class card has to be paid online prior to participating in class. For memberships, the first membership month is paid online through our online schedule, thereafter the participant will receive an invoice every month for the duration of the membership and is given two weeks to pay the monthly tuition fee. A €25 administration fee will be charged for late payments. The membership rates are regarded as an average monthly fee, which is consistently paid throughout the year during the contract period. Adapting the membership to actual lessons followed is thus not possible. It is in the interest of the practitioner to join practice as often as possible. In case classes cannot be taken, no refunds can be given, also not partly. This includes illness, vacation, pregnancy, and absence due to work travel, etc.. In case of illness and injury that are longer than 4 weeks, it is possible to prolong the membership, medical documentation from a physician is required herein immediately.

The 12 months membership rates (monthly fees) are calculated over a yearly base. School closures, vacation (entailing school closure of three weeks per year), illness are already included into this fee.

Article 6. Membership Termination

A 3 or 12 months membership can be terminated with a period of 4 weeks left until the end of the membership. All membership terminations have to be in writing to maxi@ashtangaingroningen.com. A membership is automatically extended by 3 or 12 months if it is not terminated at least 4 weeks prior to the end of the membership period.

A one month membership automatically stops after one month and thereafter needs to be renewed. Amendments to the membership period can be made in case of moving to another city at least 25 km away from the location of our yoga school. To terminate a membership due to moving a termination form has to be handed in two months prior to moving, thereupon a one time termination fee applies calculated on the basis if a shorter membership duration could have been chosen for the time plus EUR 25 administration fee.

Article 7. Class Cancellation Policy

A booked class can be cancelled 12 hours prior to class start in the online schedule. Class card holders will receive their class credit back when cancelling their class 12 hour prior to class start, thereafter the class cannot be reimbursed. Membership holders who continuously miss (more than once per month) a booked class - and thereby don't take responsibility for cancelling booked classes in time, will :

- Non-COVID times: Not be able to book a class for 3 days
- COVID times: Receive a lowered class credit for the following month (e.g. if two classes were missed per month = 1 class less class credit the following month, if three classes were missed per month = 2 classes less class credit the following month)

Article 8: Workshop Cancellation Policy

Cancelling a workshop up to 30 days results in 70% reimbursement of the workshop fee. No reimbursement can be given when cancelling a workshop less than 30 days prior to the workshop.

Article 7. Schedule Changes

Bhumi Yoga reserves the right to change the class schedule, opening times and location. This also holds true for short-term closure such as illness and studio maintenance, as well as for closures / class changes lasting longer than one week due to yoga study travel and vacation.

In case of illness, study, vacation and other possible causes that a class cannot go through as scheduled we aim to organize substitute teachers. If this is not successful the classes may be cancelled. The practitioner does not have the right to receive money back in case a class does not go through.

Hereby I declare that I have read and accept the above mentioned terms and conditions.
